# Truro shopping and leisure guide 2009

Shopping in Truro is a unique and enjoyable experience and it is the perfect destination for finding pretty much anything. Visitors and locals to Cornwall travel to Truro, drawn by the City's combination of top national chains, fashionable boutiques and our large selection of independent stores. As well as our two indoor markets - the Pannier Market with traditional stalls and the Lemon Street Market with its art gallery and cafes - we have a host of food and craft markets held on Lemon Quay throughout the year.

Visit Pydar Street and King Street, which are the epicentre for the well known national multiples and intertwine with quaint opes full of smaller interesting and quirky shops. Or explore River Street, Kenwyn Street and Victoria Square for the independent jewellery, fashion and homeware stores.

This  enjoytruro shopping and leisure guide should help make your visit to Truro a fantastic experience.

When planning your visit to Truro, visit our newly launched website  [www.enjoytruro.co.uk](http://www.enjoytruro.co.uk) where you will find everything you need to know about Truro, including a dedicated page for each of the City's businesses, further details on how to get here plus a comprehensive and up-to-date guide to all the events and activities in the City.

For any further help with your visit to Truro, come and visit the Tourist Information Centre, situated in Boscawen Street (under the town clock), where the staff offer friendly and helpful advice, whether it be an overnight stay in one of our Hotels or Bed & Breakfast or a comprehensive list of the various cafes, restaurants and bars that the City has to offer.

Every effort has been made to ensure that details were correct at the time of printing. However, Totally Truro and Truro City Council cannot be held responsible for changes or amendments to the information published. The organisers of events included in this publication reserve the right to alter the details of the events without prior warning. If in doubt, please check details before leaving home.
